

This Equip training day aims to train and equip Christians from South Australian churches and Christian organisations of any denomination for ministry and mission.

Open to all, but eagerly supported by the evangelical network across South Australia, providing a greater breadth and depth of training than any one church could produce by itself.

Equip is a ministry of EFAC-SA which aims to maintain and promote a strong Biblical witness through Churches in SA to advance the cause of the gospel.

TRAINING OPTIONS

The training subjects are structured in such a way that you have flexibility in choice with half-day subjects and individual subjects on offer.

Registration is for a full day with no discounted fees for part-day registration. The program gives you flexibility to work out what subjects you would like to attend.

Equip is unable to provide a crèche or children's program to allow people involved in these ministries to attend themselves. For parents needing to look after children, a full day registration can be shared. Children are welcome in the common areas under the supervision of a parent.

REGISTRATION:

Please register online at www.equiptraining.org

There are minimum and maximum numbers for each subject so pre-registration is necessary.

Registrations close Wednesday 21st March. Morning tea, lunch and afternoon tea is provided.

Regular Registration	\$55.00
----------------------	---------

Concession Registration	\$45.00
-------------------------	---------

Last Minute Registration	\$60.00
--------------------------	---------

Applicable from Friday 15th March

Credit Cards accepted – Visa and Mastercard

Registration includes all materials, teaching and food.

If money is a problem, please see your pastor.

Equip is able to offer a number of \$40 travel grants to people travelling over 100km each way. If you are travelling to join us, please register for equip then apply to equip@efacsa.org.au before March 16th.
